Dear Joseph,

I am enclosing the OLIPHANT BULLETIN I assume you have heard of him. The BULLETIN I send you as a token of my esteem and regard or whatever and as a gift.

This is, perhaps, a very valuable piece of memorabilia. Note the date. January 1938.

Note too the IOBB. Now I wonder where the Wunderkind got HIS idea of the IFBB FROM. I wonder. The world wonders.

I suggest you read through this very carefully and note the rockets fired at Hoffe and Doctor Tillney. Hoffe is referred to as Bulhi Toffma and Tilney as Doctor Filme.

Even 51 years ago these snake oil salesmen were recognised for what they were. Seems to me you could get at least a page out of this bulletin for YOUR Bulletin.

I do hope my article and letter from Joe W arrived safely. When you have copied them return please. I am VERY interested in your opinion of the letter. I am STILL singing the song of the goldfish.

Bill Oliphant is now a memory. But his daughter, still highly thought of in Canada as a teacher, still lives, I am told, by one of my vast corps of spies and agents procacateur.

Anyway, enjoy and let me know what you think of it,

best as ever, to you and yours,
