I am assured by Joe Sssirati that notice of Inch's death did appear in a 1960 issue of H&S. But I feel sure that Heidenstamm could clue you in if that lady feels like communicating with you. Desr MISS Heidenstamm.

I have heard of Jones and his missus bother. Nasty bastard from the tales told of him.

I also hear tat Schwarz etc etc can get Maria pregnant, is suffering from kidney problems, is presently attending UCLA medical school for treatment, and has a doctor present at all of his movie making. Wonder how much of this is true.

Grover, it seems, has followed me when I was with Vier in the fifties, and calls himself "Your pupil." I think these three blokes could give you an educated opinion of me and my works, such as the arr.

You are a bloody no goodnik, not writing to me all that time. I shall repair to St Joseph and booby trap your toilet, so it flushes UP instead of the regular way.

I will rake out a shot if me and the "GANG" at the Weider plant. You can scoop HIM. HE AINT GOT A COPY, Yippie

cheers, TTFN to Meg,

Chas
